FLUSHING OF FIRE HYDRANTS

The MONROE MUNICIPAL UTILITIES AUTHORITY will be flushing fire hydrants in our water system MONDAY THRU FRIDAY during the month of APRIL 2022 between the hours of 8:00 A.M. TO 3:00 P.M.

Residents in the area being flushed may notice a slight discoloration in the water during the period when flushing is in progress and shortly thereafter. Please let the water run for a moment or two before doing laundry or bathing.

We apologize for any inconvenience this may cause you. Thank you for your cooperation in this matter.
